

WHERE LUXURY
LIVES

Residents' Amenity

SHARED SPACES of THE HIGHEST QUALITY

Designed with the wellbeing of residents in mind, The Gardens rooftop amenity draws on Hillam Architects experience in creating luxurious shared spaces. Residents can enjoy a morning swim in the 20m heated lap pool on the roof, followed by a workout in the gym, before retiring to the sun deck to soak up the panoramic views. Entertain in the beautifully appointed residents dining and lounge space, and then cap off the evening with a drink by the fireplace.
